ALUMNI ASSOCIATION

For over 100 years, Michigan State University College of Law, formerly known as Detroit College of Law, has provided a legal education which prepares qualified students not only for the Bar, but for a lifelong career. Today, the College continues this tradition of excellence which is exemplified by the achievement of over 9000 alumni in private practice, on the bench, in the classroom, and in the corporate world.

Providing this education is, of course, difficult. Even more difficult, however, is the task of assuring that an excellent legal education is available at a cost that will attract bright, deserving students, regardless of their gender, race, or economic background. This proud tradition of equal opportunity is, in fact, as old as the school itself, dating back to the founding of the Detroit College of Law in 1891.

Helping to preserve the College's legacy of educational excellence and equal opportunity are two important volunteer groups: the Alumni Association and the Office of Development and Alumni Relations. Together they provide continuing financial assistance and volunteer leadership. Their efforts provide the means to bridge the crucial gap between operating expenses and revenues. Their financial support and management expertise enable MSU College of Law to keep tuition costs down, to preserve and enhance the quality of our faculty and our facility, to promote professional and personal fellowship among alumni, and to help provide scholarship assistance to those students who merit such aid.

Your interest in the Alumni Association is greatly appreciated. For more information, contact the Alumni Relations office of Michigan State University College of Law at (517) 432-6840.
