RESOLUTION NO. 17

APPRECIATION OF COURTESIES

Be it resolved by the 44th annual convention of the International Association of Game, Fish and Conservation Commissioners assembled in Seattle, Washington, September 15, 16, 17, 1954, that we hereby give expression of our deep and sincere appreciation to Director John Biggs of the Washington State Game Commission and members of his office and field staff for their efficiency in handling the local arrangements which guaranteed the unqualified success of this convention, including fishing trips, field trips, luncheons and the registration of delegates. We are especially appreciative of the entertainment provided for the ladies attending the convention.

We wish to thank the Honorable Arthur B. Langlie, Governor of Washington, for taking the time from his busy schedule to attend our opening session and welcome us to the state of Washington, and for his inspiring remarks.

We are appreciative of the fine cooperation of the King County Outdoor Sportsman's Council who assisted Director John Biggs and his loyal and efficient staff in making our sojourn in Seattle pleasant and worthwhile.

We are especially appreciative of the splendid barbecue given to the delegates on September 16 by the sportsmen of Seattle.

We express our appreciation to the press for its splendid coverage of this convention.

We express our appreciation for the courtesies and helpfulness of the Washington State Department of Fisheries.

We express our appreciation to the management of the New Washington Hotel for the courtesies and the many attentions given to the delegates attending this convention.
